RECORDATION OF TRADEMARK REGISTRATIONS WITH UNITED STATES CUSTOMS AND BORDER PROTECTION

Please note that U.S. Customs & Border Protection (CBP), a bureau of the Department of Homeland Security, maintains a trademark *recordation* system for marks registered at the United States Patent and Trademark Office. Parties who register their marks on the Principal Register may record these marks with CBP, to assist CPB in its efforts to prevent the importation of goods that infringe registered marks. The recordation database includes information regarding all recorded marks, including images of these marks. CBP officers who actively monitor imports to prevent the importation of goods bearing infringing registered marks can view the recordation database at each of the ports of entry where these officers work.

Information about how to obtain a recordation, and about CBP's Intellectual Property Rights border enforcement program, is available at CBP's web site, www.cbp.gov.

CERTIFICATE OF REGISTRATION PRINCIPAL REGISTER

The Mark shown in this certificate has been registered in the United States Patent and Trademark Office to the named registrant.

The records of the United States Patent and Trademark Office show that an application for registration of the Mark shown in this Certificate was filed in the Office; that the application was examined and determined to be in compliance with the requirements of the law and with the regulations prescribed by the Director of the United States Patent and Trademark Office; and that the Applicant is entitled to registration of the Mark under the Trademark Act of 1946, as Amended.
